Re: **PDV USA, Inc. v. Interamerican Consulting Inc., Case No.: 1:20-cv-03699-JGK-RWL**

Dear Judge Lehrburger:

This firm represents Interamerican Consulting Inc. (“Interamerican”) in the above-referenced matter. Interamerican submits this Letter Motion to notify the Court that it is withdrawing its Letter Motion (“Letter Motion”) (Doc. 116) because the parties have resolved the dispute that gave rise to that motion.

In addition, Interamerican respectfully requests that this Court strike the Letter Motion. The Letter Motion references litigation in a related case in another district court (the “Related Case”). The movant in the Related Litigation (hereinafter, referred to as “Mr. Doe”) has moved to seal those proceedings in their entirety and has requested that Interamerican remove the Letter Motion from public view. To address these concerns, Interamerican requests entry of an order striking its Letter Motion from the docket (or, at a minimum, that the Court enter an order placing the Letter Motion under seal until such time as the district court in the related litigation rules on Mr. Doe’s pending motion to seal the entirety of those proceedings). *Church & Dwight Co. Inc. v. SPD Swiss Precision Diagnostics, GmbH*, No. 14 Civ. 585 (AJN), 2014 WL 7238354, at \*4 (S.D.N.Y. Dec. 19, 2014) (provisionally granting redaction requests while reserving the right to “revisit [the court's] decision ... following the resolution of the present dispute or upon request.”). PDV USA consents to Interamerican’s motion to withdraw and motion to strike, but takes no position on any other relief requested.

Respectfully submitted,

/s/ Tucker Byrd

The Court directs the Clerk of Court to place the letter at Dkt. 116 under seal. Within 5 days of resolution of the motion to seal in the Related Case, Interamerican shall inform the Court of the outcome and indicate whether it believes Dkt. 116 should be unsealed or remain under seal in light of that outcome. The request for relief at Dkt. 116 is denied without prejudice as moot.
